- 11:00 Bill Enactment Process--How a Bill Becomes a Law
- 12 Noon Lunch
- 12:30 p.m. Pending Legislation that Impacts Health Care
- 2:00 Why Nurses Need to Get Involved in the Public Policy Process and How to do it
- 2:25 Questions and Answers/Evaluation/Contact Hours
- 3:00 Adjournment

The purpose of this activity is to provide an opportunity for all nurses in Indiana to participate in nursing's public policy program, to learn the Indiana legislative process and to meet members of and observe the Indiana General Assembly.

Upon completion, participants will be able 1.) Describe the environment in which public policy is enacted. 2.) Describe ISNA's Role in Public Policy. 3.) Describe the Bill Enactment process. 4.) Identify three bills before the legislature that could affect health care. 5.) List three methods of involvement in the public policy process.

Participants will receive a certificate of completion. In order to receive nursing contact hours, participants must attend the entire event and complete the evaluation.

This continuing nursing education activity has no commercial support. Neither the speakers nor the planners have a conflict of interest.
