

INDIANA STATE NURSES ASSOCIATION CNE ACTIVITIES

The Indiana State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

In 2009 the American Nurses Credentialing Center (ANCC) published new criteria and guidelines for approval of continuing nursing education activities. The Indiana State Nurses Association's Committee on Approval (ISNA-COA) implements the ANCC-directed policies and procedures and approves continuing education activities.

An applicant must submit an application to obtain approval of a continuing nursing education (CNE) activity. The CNE activity needs to be related to professional development. A CNE activity may be but is not limited to live activities (such as conventions, seminars, workshops, lecture series; distance learning activities such as teleconferences and audio conferences) or packaged programs (such as web based, paper/pen, etc.) Knowledge and use of adult learning principles should be reflected in all aspects of the educational design; i.e. objectives, content, teaching methods, etc.

SUBMISSION:

Four (4) copies of the application are to be submitted unless it is submitted online. The fee must accompany the application. To provide adequate time for review, it is required that applications be submitted eight (8) weeks in advance. Applications submitted after the eight-week deadline will be assessed an additional fee.

FEES:

The non-refundable fee for review of individual activity applications submitted eight weeks in advance of the presentation is:

1 - 5 contact hours	\$200
5.1 – 10.9 contact hours	\$225
11+ contact hours	\$300

Checks in payment of review fees for applications that are withdrawn before the start of the review cycle will be returned less \$75. An additional fee of \$100 will be charged if the application is submitted less than 8 weeks and more than 45 days in advance. An additional \$250 will be assessed if submitted only 45 - 30 days in advance. No applications will be accepted when received less than 30 days prior to the event.

Checks should be made payable to the Indiana State Nurses Association. If paying by credit card, to ISNA's secure site, www.IndianaNurses.org and click on make a payment at the top of the page or call the ISNA office 317/299-4575. **No application will be reviewed without receipt of the correct fee.**

APPROVAL PERIOD:

Activities are approved for two (2) years. The activity may be presented as often as desired during that period provided no substantial changes are made. (The objectives, content, and overall time frame must remain the same.) ISNA is to be notified of any changes to the application.

APPLICATION FORM

Use the application form ISNA 2009 REVISION [Workshop and Independent Study Application – Form #1]. Be sure to completely fill in all the information requested and to attach all the appropriate forms. The material must be submitted to the Indiana State Nurses Association in the format provided.

ELIGIBILITY

Any individual, institution, organization, or agency in Indiana responsible for the overall development, implementation, evaluation, and quality assurance of continuing nursing education is eligible to seek approval.

SYSTEM OF AWARDING CREDIT – Calculating contact hours

Effective January 1, 2007, the continuing education credit which is awarded for approved activities is the 60-minute contact hour. The Continuing Education Unit (CEU) system is NOT authorized by the ANCC Commission on Accreditation. Therefore, the term “CEU” is NOT to be used for ISNA approved educational activities.

- A contact hour is 60 minutes of an organized learning activity which is either a didactic or clinical experience.
- The minimum number of contact hours to be awarded is 0.5 (30 minutes).
- The formula for calculating contact hours: number of minutes divided by 60 equals number of contact hours.
- Welcomes, introductions, breaks, orientation, and viewing of exhibits are not included in the calculation of contact hours. Evaluation is considered part of the learning activity and should be included in the calculation of the contact hours. Poster sessions may also be included if there are specific goals for the sessions and the availability to evaluate each separate poster session.

When calculating hours, include any pre- and post-tests, practice, discussion, and evaluation. **The calculation of contact hours may be carried to two (2) decimal points. It may be round down but never rounded up. For instance 5.667 would be 5.66 contact hours.**

Example of calculation of contact hours for a workshop:

8-8:10 a.m.	Welcome/Introductions	10 minutes (not applicable)
8:10-8:30	Pre-Test	20 minutes
8:30-9	Presentation No. 1	30 minutes
9-9:20	Discussion	20 minutes
9:20-10:10	Case studies	50 minutes
10:10-10:25	Break	15 minutes (not applicable)
10:25-11:15	Supervised Practice	50 minutes
11:15-12:15	Lunch & Exhibits	60 minutes (not applicable)
12:15-1:55	Panel Discussion	100 minutes
1:55-2:10	Break	15 minutes (not applicable)
2:10-3	Presentation No. 2	50 minutes
3-3:15	Questions & Answers	15 minutes
3:15-3:30	Evaluation	15 minutes

Total	350 minutes divided by 60 = 5.83 contact hours
--------------	---

In the case of a prepackaged activity, it will be the responsibility of the provider to substantiate the rationale for determining the number of contact hours to be awarded. This may occur by means of a pilot test, calculation of number of pages/words, etc.

RETROACTIVE APPROVAL

Approval must be granted prior to presentation of an educational activity. Retroactive approval is NOT authorized in the ISNA approval system. Therefore, approval will not be granted for contact hour credit of an educational activity after that activity has been presented.

RECOGNITION OF THE ISNA APPROVAL SYSTEM

Continuing nursing education activities approved by the Indiana State Nurses Association must include a statement which identifies the source of their approval on all appropriate communications and marketing material.

Materials published prior to receiving ISNA approval should contain the following statement:

An application has been submitted to the Indiana State Nurses Association for approval of (No.) contact hours.

ISNA is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Once approval has been obtained from the Indiana State Nurses Association, the following statement **must** be used on all materials where appropriate. Note that a blank line must be above and below the statement.

“This continuing nursing education activity was approved by the Indiana State Nurses Association for [insert #] CNE contact hours. Approval valid through [date]. (ISNA No. CNE xx-xx.”

The Indiana State Nurses Association is an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.”

SKILL-BASED NURSING EDUCATION (see Appendix A)

The Indiana State Nurses Association Committee on Approval will not approve BLS, Tuberculosis Skin Test Certification Courses, and other skill-based training courses for contact hour credit. These courses are designed to increase proficiency in a specific skill and are not considered continuing education.

Experienced Provider ACLS Programs and S.T.A.B.L.E., ACLS, PALS courses are eligible for contact hour credit for the initial course. Renewal courses are not eligible.

Basic CPR and CPR Instructor Courses also are NOT eligible for contact hours from the Indiana State Nurses Association.

[WORKSHOP AND INDEPENDENT STUDY POLICIES AND PROCEDURES]

An institution may wish to present certificates of attendance to those nurses who complete skill-based or other inservice activities; however, CNE contact hours may NOT be awarded for basic skill-based activities or others which are required education or which disseminate information specific to the employer or sponsoring institution. **To be eligible for contact hours, continuing nursing education must be elective and not a job-specific requirement.**
