The purpose of this activity is to enable the learner to be more informed and engaged in policymaking.

Neither the speakers nor the planners have a conflict of interest.

Participants will receive a certificate of completion for 3.4 nursing contact hours. To be eligible to receive nursing contact hours, participants must attend 80% of the event and complete the evaluation.

This continuing nursing education activity was approved by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. OBN-001-91.
