2017 Indiana State Nurses Association Convention
September 22, 2017 – Health Nurse, Healthy Nation
Abstract Submission Form

ISNA is issuing a call for abstracts for podium or poster presentations at the 2017 ISNA Convention in Kokomo. Proposals should relate to this year's theme, “Healthy Nurse, Healthy Nation”. Podium presentations will be 20-60 minutes depending on the number of accepted abstracts. Poster presentations will be included if we receive a requisite number of adequate submissions. If selected, presenters will be expected to promptly complete documentation for continuing nurse education contact hour approval and submit presentation materials prior to the event for distribution to attendees. Abstracts may be submitted for presentations by an individual or a pair. Abstracts will be selected based on their expected interest and relevance to attendees, who will be registered nurses of all levels and nursing students. Please submit this completed form to bmiley@indiananurses.org by MAY 31ST.
